| Brief Report on activity | <p>Guest Lecture was conducted by the Dr. R N Lahoti Institute of Pharmaceutical Education and Research Center, Sultanpur. Under the guidance on Principal Dr. Nandu Kayande Sir on 20.09.2023 from 10.30 am to 12.30 pm. Chief guest Mr. Dashrat Chaudhary sir has taken a lecture on topic "Personality Development" for First Year, Second year, Third year and Final year student. The lecture was focused on the insight of personality. The session was organized to bring over all shine in the student personality. Total of around 300 students and staff participated in this program.</p> <p>The speaker motivates the students to gain skills in addition to their subject knowledge. He advised the student to face the real word situation appropriately to build their career in a prospective manner. The student enjoyed the session as it is more toward the personality development which will make students ready to face the challenges in the carrier. After his lecture the student was given time to interact with him. Student felt that the session was more informative and interactive. All student asking some quires to speaker and give their feedback, and explained how they were benefited.</p> | | | |
