September To December 2024 Issue no. 01

VISION

To provide excellent quality education to rural and urban areas and create motivated skilled, intellectual and technical competent manpower catering globally to the industry and service organization

MISSION

To develop globally competitive students who are also compatible with the needs of changing society we will offer wide range of educational program, development activities and linkage with the user systems.

PRESIDENT MESSAGE

Welcome to,

Dr. R.N. Lahoti Institute of Pharmaceutical Education and Research Center !

Great visionary and inspirer my father Lt. Dr. R. N. Lahoti, was an inspiration to have a high quality group of institutions appropriate for the Indian social context. The institution, indeed, has fulfilled his aspirations and ambitions in an able manner. Thanks to the rapid development of technology over the last few decades, we have overcome all the barriers that refrained creativity to breathe. Today the world economy is experiencing an unprecedented change. With the help of continuous economic reforms during the last decade and the onset of globalization, we have managed to overcome new challenges in our own way .We firmly believe the awareness imparted to the young students will continue to grow and spread; hence we have a team of qualified creators in the form of highly educated and experienced Teachers, Lecturers & Professors. We seek to pave the way for our students to a successful career with an educational experience. We are proud that we have developed diverse, upbeat, creative, team-oriented professionals who can operate efficiently and excel in a multicultural environment. Moreover, we have set a benchmark for ourselves on a global scale with the best colleges and become the most preferred Institution for the students in Central India. The perception of Dr. R. N. Lahoti Institute of pharmaceutical Education and Research center is to provide affordable, relevant, industry oriented and world class Professional Education for all. With this aim we have provided the best infrastructure & facilities, highly experienced faculty, fully ventilated & lighted class rooms and a dedicated pharmaceutical placement cell that is ideally suited for students as well as pharmaceutical industry professionals. Dr. R. N. Lahoti Institute of pharmaceutical Education and Research Center wishes you success and invites every prospering student to experiment with their hidden talent and prove that they are the best. I am positive that with the hard work, focus and dedication of an exceptional team, the institute will outshine again and again in years to come.

Mr. Umesh Ramprasad Lahoti

President, *Dr. R.N.Lahoti Institute of
Pharmaceutical Education and Research Center*

PRINCIPAL MESSAGE

Welcome to Aadarsha Bahuddeshiya Shikshan Prasarak Mandal's Dr.R.N.Lahoti Institute of Pharmaceutical Education and Research Center, Sultanpur which was established in the year 2015 with the vision "To develop globally competitive students who are also compatible with the needs of changing society we will offer wide range educational program development activities and linkage with the user system.". Our college is approved by DTE Maharashtra & PCI New Delhi, affiliated to MSBTE and Sant Gadge Baba Amaravati University, Amravati Maharashtra. Dr. R .N .Lahoti Institute of Pharmaceutical Education and Research Center offers Diploma & Degree courses in Pharmacy.The institute has a glorious standing of

09 years and continues to evolve as the most reputed Pharmacy College in the Amaravati region having the best instrumental facilities. The college has an excellent infrastructure with a sophisticated and ambient research atmosphere, international standards, and highly qualified and dedicated faculty and staff, who are committed to providing an outstanding educational experience to the students. Our faculty members published 102 papers in peer reviewed journals, 07 patents, and 31 books published. We believe not only in academic excellence but also in the overall development of our students. With high moral values, our students blend professionalism and a sense of social responsibility to be recognized as obedient citizens of the country. It is a proud feeling to share that our students actively participate in various research and Innovative activities.

Once the students have graduated in the field of pharmacy manifold options are available to them. They have pursued higher studies in the field of pharmacy/management (in India or abroad), joined the industry, hospital pharmacy, and clinical research. Several companies are visiting the campus for placements. The placement cell is in constant contact with the leading industries. I believe that any student of our institute will never face any difficulty in getting employment as well as the opportunity for higher studies. We concentrate personally on students' moral uprightness, scientific insight, and social commitment. "If a drop of water falls in a lake, there is no identity, but if it falls on a lotus it shines like a pearl, we need to choose the best place where we can shine. Dr.RNLIOP & RC. is the best place where students can explore their careers. I hope you will be one of those fortunate students who get admission to our college and I assure you that, your life in this college will be academically fruitful and pleasant.

Dr. Nandu Kayande
M. Pharm Ph. D.

Principal , *Dr. R.N.Lahoti Institute of
Pharmaceutical Education and Research Center*

23 December : Successfully completed the admission of D. Pharm, B. Pharm and M Pharm

Dr. R. N. Lahoti Institute of Pharmaceutical Education and Research Centre Sultanpur , a leading institution in pharmaceutical education, has successfully completed the admission process for its D.Pharmacy, B.Pharmacy, and M.Pharmacy programs for the academic year 2024-25. The college, known for its academic excellence and state-of-the-art facilities, received an overwhelming response from prospective students across the region.

The admission process, which began earlier this year, was conducted by CET CELL and DTE in a transparent and streamlined manner, ensuring that students were selected based on merit and eligibility criteria. The college offered guidance and support throughout the process to make it as smooth as possible for both students and their families by our facilitation centre and admission counselling cell.

Dr. Nandu Kayande, Principal of Dr. R. N. Lahoti Institute of Pharmaceutical Education and Research Centre Sultanpur expressed his satisfaction with the success of the admission drive. "We are pleased to welcome the new batch of students to our college. Our programs are designed to provide students with a comprehensive understanding of pharmacy, and we are committed to fostering an environment where they can excel academically and professionally," he said.

The D.Pharmacy, B.Pharmacy, and M.Pharmacy courses are structured to offer in-depth knowledge in pharmaceutical sciences, clinical practice, and research.. Also, equipped with modern laboratories, experienced faculty, and offers hands-on training to ensure students are well-prepared for careers in the growing healthcare industry. With the admission process now complete, the college looks forward to a successful academic year ahead

30 December : D Pharm Fresher's Party

Dr. R. N Lahoti Institute of Pharmaceutical Education and Research Center (Sultanpur) College hosted a fresher party called '**Spandane**' to welcome the newly admitted first year students of D.Pharm. This initiative was implemented with the aim of creating a friendly atmosphere for the students and removing their fears and giving scope to their talents

On this occasion, the lamp was lit in the presence of Principal Dr. Rajesh Wathore, Prof. Dr. Minal Raut, Principal Bhavana Jadhav, Principal Dr. Nandu Kayande, Dr. Ashish Navghare and the **Spandane** program began: On this occasion, the senior students introduced themselves to the new students through traditional dance, ramp na wak, western dance, and singing. In this introductory session, the first year students of D.Pharm course participate.

The placement of students was possible due to the guidance of the college principal Dr. Nandu Kayande sir. For this, the head of the Training and Placement cell Dr. Arun Mante sir worked very hard. He created a new platform for the students from time to time. He gave the students proper guidance on how to give an interview and what qualities should be in you for this. Also, other faculty members also supported him a lot in this.

The primary objective of the Training and Placement Cell is to provide technical training to give hands on experience of the actual work environment which helps the candidates to identify and inculcate the necessary soft skills. The Training and Placement Cell conducts training sessions throughout the year, organizes seminars and workshops on various current topics, provide exposure to latest personality development modules, industrial visits, orientation programmes, personal counseling by the professionals, industry-institute interactions, etc. which has resulted into dramatic placements in the reputed pharmaceutical units across the country. The Training and Placement Cell has set high goals for itself i.e.

“If you can dream it, you can do it !

Poem

Diploma 2nd Year – आठवणींचे शेवटचे पान

दोन वर्षांपूर्वी कॉलेजच्या दारातून पहिल्यांदा पाऊल टाकलं,
तेव्हा मनात अनेक स्वप्नं आणि अनोळखी माणसं दिसली.
पहिला दिवस, पहिली ओळख, पहिली बाकं आणि मागच्या रांगा,
कोणी गोंधळलेला, कोणी आत्मविश्वासानं भरलेला,
तर कोणी आपल्या जुन्या शाळेच्या आठवणीत हरवलेला.

Made by :- Shrikant Awchar (D Pharm 2 Yr)

Submission आणि परीक्षा - संघर्षाचे दिवस!

Submission च्या आदल्या रात्री जागणं ठरलेलं,
Printout मिळत नाही म्हटलं की, अख्खं कॉलेज फिरायचं!
"भाई, तुझं Copy करू का?" हा एकच प्रश्न,
तर "Assignment मेल कर, पटकन!" हा दुसरा हुकूम!
Exam जवळ आली की सगळ्यांची स्थिती बिकट,
कधी Google वर उत्तरं शोधायचो, कधी वहीची पाने फाडायचो!

 त्या पानांमध्ये फक्त उत्तरं नव्हती,
तर संघर्षाची कहाणी होती!

Made by :- Shrikant Awchar (D Pharm 2 Yr)

Concluding Remark of Editorial Team

Mr. V.R. Nalegaonkar

Dr. R.A. Sarkate

We are very proud and happy while presenting the 1st issue of our e-bulletin (September-December, 2024). It gives an immense pleasure while drafting the achievements of our students and our team members. This e-bulletin shows reflection of the success stories of the faculty members and our students. It highlights all the major curricular and co-curricular activities of the last quarter (September- December, 2024). We are very happy to publish this e-bulletin of the third quarter of 2024. We express our gratitude towards the Hon'ble Management, respected Principal Sir, and faculty members of Dr. R. N. Lahoti Institute Of Pharmaceutical Education and Research Center, Sultanpur for their support in the drafting of this e-bulletin. Thank you
